

COUPLINGS

The couplings shown here permit the joining of any combination of standard size tubing and standard pipe with female to female couplings. Other couplings available on special order.

**Pressure Rating.** The pressure rating of AE couplings is based on the lower rated connection used.

*\*Maximum pressure rating must not exceed rating of tubing used.*

*Note: All reducers and adaptors are furnished complete with connection components unless otherwise specified.*

**CAUTION:** See appropriate pressure section in reference to proper selection of tubing.
