

LOCTITE PST 567

Tube Size	Part Number
6ml	LOCLS567-6
50ml	LOCLS567-50
250ml	LOCLS567-250

Loctite PST 567 is a high performance curing sealant for tapered threads. Its high lubricating properties prevents galling on stainless steel, 6mo, monel and other pipe threads and fittings.
