

Quick Couplings

To supplement our range of Fittings for our Fire Rated Hose Assemblies, we have developed a Wing Nut design of Quick Coupling with various End Terminations - Composite Hose, Threaded or Welded with either Valved or Unvalved operations being completely interchangeable.

Size	Threaded Female NPT Socket			
	Valved	Plain	Working Pressure PSI	Working Pressure BAR
1/4	VTS06-04	PTS06-04	7250	500
3/8	VTS06-06	PTS06-06	6600	460
1/2	VTS08-08	PTS08-08	6100	425
3/4	VTS12-12	PTS12-12	6000	420
1	VTS16-16	PTS16-16	5500	385
1 1/4	VTS20-20	PTS20-20	5000	350
1 1/2	VTS24-24	PTS24-24	5000	350

Material Specification

- S Steel - Zinc Passivated Finish
- SS Stainless Steel 316

FULL MATERIAL TRACEABILITY

Options Available

Welded Terminations are also available in Buttweld/Socketweld to Customers Requirements.
